Hi Damon,

I reviewed the Nuclear Regulatory Commission's Supplemental EIS for the Dewey-Burdock site to refresh my memory about the cultural survey some Tribes participated in. I pulled out Section 3.9.3.2 (Places of Religious or Cultural Significance) from volume 1 of the SEIS document and attached it. I also attached Appendix F (Summary Cultural Surveys) from Volume 2 of the SEIS document so you have them handy to review before our meeting.

Here are the websites for volume 1 and volume 2 of the Dewey-Burdock SEIS document:

I hope this is helpful!

Valois
